

Dear Jersey Shore Shark Anglers Club,

I am writing to express my sincere gratitude for being selected as a recipient of the scholarship. It is with immense appreciation and gratitude that I accept this generous support as I pursue my naval engineering degree at Stevens Institute of Technology.

Your commitment to fostering education and supporting individuals like myself is truly commendable. This scholarship not only alleviates a significant financial burden but also serves as a source of motivation and encouragement as I embark on this academic journey.

I am passionate about naval engineering, and your investment in my education will undoubtedly play a pivotal role in helping me achieve my academic and professional goals. I am eager to apply the knowledge and skills I acquire during my time at Stevens Institute of Technology to contribute meaningfully to the field of naval engineering and our local area.

Please convey my deepest thanks to all the members of the Jersey Shore Shark Anglers Club. Your belief in the potential of students like me is a driving force, and I am committed to making the most of this opportunity.

I look forward to the day when I can give back to the local waterways and help preserve the environment we love. Thank you once again for your generosity and support.

Sincerely,

Stephanie Maulshagen
